

TRANQUILITY
of mind

A COMMITMENT

that reflects our culture

We offer service with a human dimension, focused on quality communications and swift solutions. Our dedicated teams take a proactive approach, providing user support while managing your infrastructure at every step of our partnership.

Founded by Gabriel Latour and Stéphane Lortie in 2004, Groupe SL offers IT management solutions and services to Canadian businesses.

VALUES ALIGNED

with your expectations

Availability

We are always available and easy to reach. Whether remotely or on-site, we are attentive to your needs in order to offer you tailored support.

Integrity

We manage our projects in a way that is transparent, ethical and professional. We base our activities and decisions on a rigorous methodology and responsible leadership.

Respect

We act with courtesy and discretion to ensure a strong relationship of trust with you.

Left to right: Stéphane Lortie and Gabriel Latour, Groupe SL founding partners

WE SPECIALIZE in partial and full information outsourcing, including managed IT services, cloud migration and much more. With strong expertise through extensive industry experience, our team maintains active partnerships with businesses in all sectors implementing secure and innovative IT management infrastructures.

We value simplicity, setting ourselves apart through our proactive and human approach and our focus on risk reduction. We provide constant monitoring to ensure the proper functioning and stability of our clients' IT systems. Our remote surveillance system also allows us to solve issues as they arise, minimizing interruptions.

CONCRETE SOLUTIONS

to your challenges

Our dedicated team offers a comprehensive range of services to facilitate your activities, no matter your needs. Simplicity is our priority. We select the right products and user-friendly tools to ensure your peace of mind.
